BRIEF HISTORY

**Qumran**

Lunar/Solar

**364**

1st century AD. Associated with Second Temple Judaism, as likened to Book of Enoch. Known as the 'Essene,' **it falls into error assuming first day to be Day 4 - a Wednesday.**

**Umma Babylonian**

Lunar (Solar)

360

Old Babylonian Period (1780 BC) until the Seleucid Era. **It drifts due to the 51.43 weeks**

**Hebrew**

Lunar (Solar)

360

Adopted during Babylonian captivity. Honours Babylon's evil god, Tammuz (Search Semiramis & Tammuz). **Weeks not divisible by '7'. Feast Days differ each year.**

**Egyptian**

Lunar/Solar

365

During the Middle Kingdom, based on the heliacal rising of Sirius (Sothis) this calendar is divided into three seasons: **Inundation, Growth, and Harvest.**

**Roman V.1.0**

Lunar

10mths  
\*winter days

Introduced by Numa Pompilius around 713 BC, based on lunar months. Later altered by Julius Caesar to include **January/February, to begin the year instead of March.**

**Julian (Roman V 2.0)**

Solar

365.25

Introduced to Julius Caesar 45 BC. By Cleopatra. 365-days **with Leap day every four yrs.** Julius appointing himself Pontifex Maximus so, as to have the powers of a Pope.

**Gregorian (Roman V 2.1)**

Solar

365.242

Introduced 1582 by Roman Catholic Pope on advice of Jesuits. **Alleged 'season drift correction' inconsistent with calculations.** Became international civil standard 1752.

These sure ain't Christian  
celebrations,

These traditions have no place  
in Christianity yet they  
are extoled, as holy!

By the Lord's name,  
they are not!

# Let's Talk about New Moon Celebrations

**FOR MEASURING TIME... OR DATE SETTING?**

# The New Moon Feasts

## For Remembrance and Celebration of the Seasons

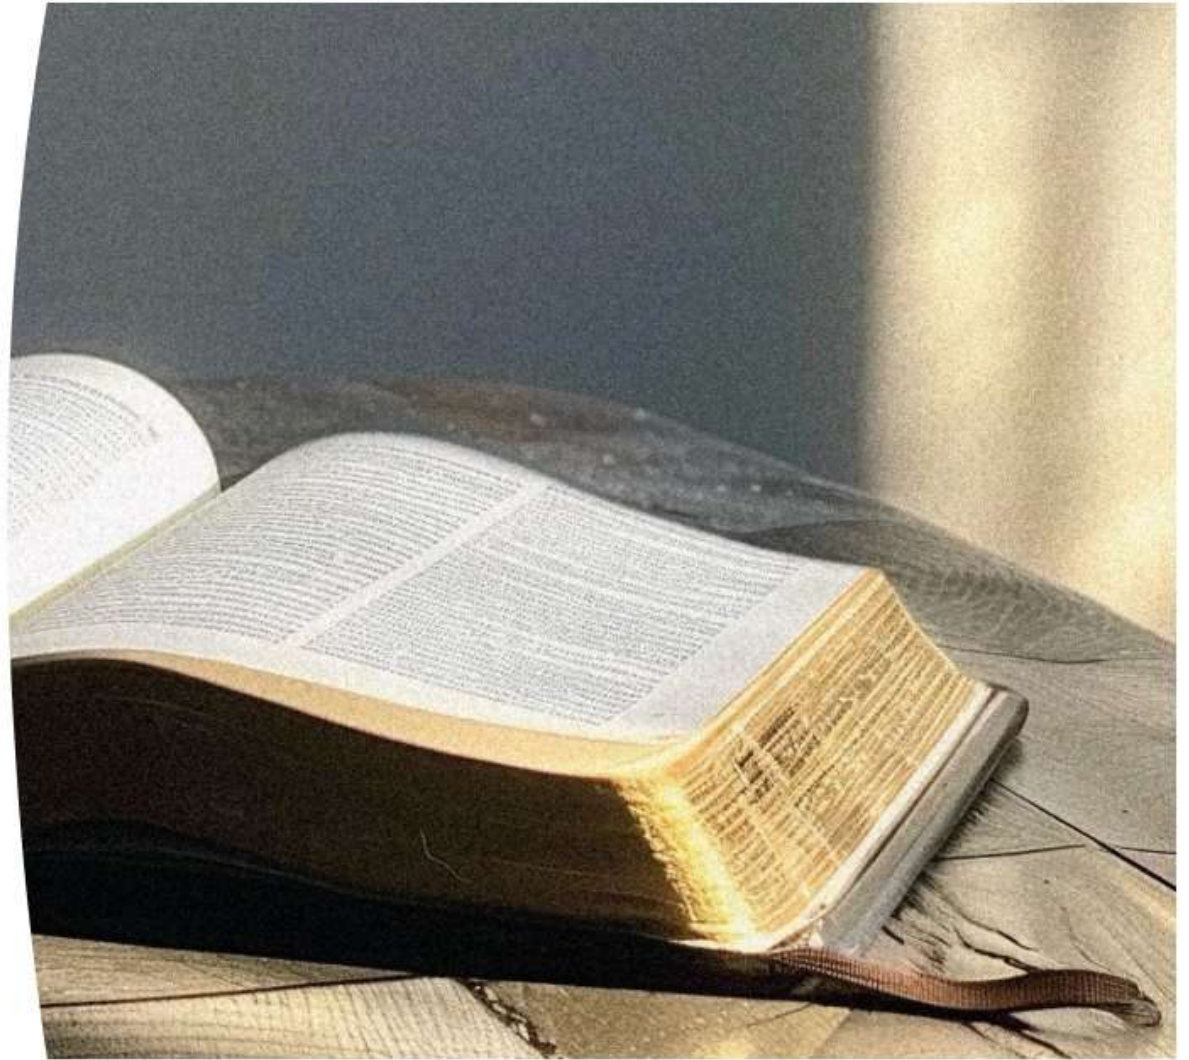

- 28 And on this account, Noah ordained them (new moons) as feasts for a memorial for ever, and thus are they ordained.
- 29 And God placed them on the heavenly tablets, each (season) had **thirteen weeks**; from one to another passed their memorial, from the first to the second, and from the second to the third, and from the third to the fourth.
- 30 And all the days of the commandment will be **fifty-two weeks of days**, and these will make **the entire year complete**. Thus, it is engraved and ordained on the heavenly tablets.
- 31 And there is no neglecting (this commandment) for a single year or from year to year.
- 32 And command thou the children of Israel that they observe the years according to this reckoning- **three hundred and sixty-four days**, and these will constitute a complete year, and they will not disturb its time from its days and from its feasts; for every thing will fall out in them according to their testimony, and they will not leave out any day nor disturb any feasts.

**Jubilees Chapter 6 Verses 28-32**

As YHWH spoke to Moses on Mt Sinai

# God Honours Noah's New Moon Feasts

## Noah's 4 New Moon Feasts occur

1<sup>st</sup>, 4<sup>th</sup>, 7<sup>th</sup>, and 10<sup>th</sup> month

Genesis, mentions each event as it relates to man's salvation through the great flood. The Book of Jubilees, shares details.

- These same months lead in each season.
- The New Moon, occurring through the solar months, is for 'Remembrance, Gratitude and Counting'.

ONLY in first month of Year 1 in every 3, does the New Moon, the slither moon, begin a new solar month. Neither does scripture dictate otherwise!

## What Should We Know!

### Jubilees Chapter 5, V 22-23

22/ And Noah made the ark complete in all respects as God commanded him, in the twenty-seventh jubilee of years, in the fifth week in the fifth year on the new moon of the first month.

SOLAR MONTH 1 / DAY 21

23/ And he entered in the sixth year thereof on the new moon of the second month, on the tenth day till the sixteenth... and the Lord closed it from outside on the seventeenth evening.

SOLAR MONTH 2 / DAY 10

### Genesis Chapter 7, V 10-11

10/ And it came to pass after seven days that the waters of the flood were upon the earth. [This day is a new moon].

SOLAR MONTH 2 / DAY 10

11/ in the six hundredth year of Noah's life, in the Second month, the seventeenth day, the same day were all the fountains of the deep broke up.

What is a Jubilee?

SACRED COW ALERT !

# What is a Jubilee?

A Jubilee is a repeating period of 49 years exactly. No, not 50!

- ▶ 7 lots of 7 Years , each called a 'Week of Years'
- ▶ Every 7<sup>th</sup> Year is a Sabbath Year
- ▶ Every 6<sup>th</sup> Year, the harvest yields 3 yrs cover – for 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> year
- ▶ Every 8<sup>th</sup> Year is the beginning of a new 7-year WEEK, and crops are sown
- ▶ Every 48<sup>th</sup> Year, the harvest yields 3 years of bounty, crops and flocks for that year, 49<sup>th</sup> and 50<sup>th</sup> year.
- ▶ Each 49<sup>th</sup> Year completes the 7 'Weeks of Years'
- ▶ Each 50<sup>th</sup> Year is celebration of jubilation, release of property and debt. Is year 1, of a new jubilee
- ▶ 70 Weeks of 7 Years is 490 years = 10 jubilees exactly, which MUST divide by '7'.

The 50<sup>th</sup> Year, begins another 49 Year Jubilee period.

It is the first year in the New Week of Years.

It begins the first Week of 7.

# The Seasons And Their Leading Stars

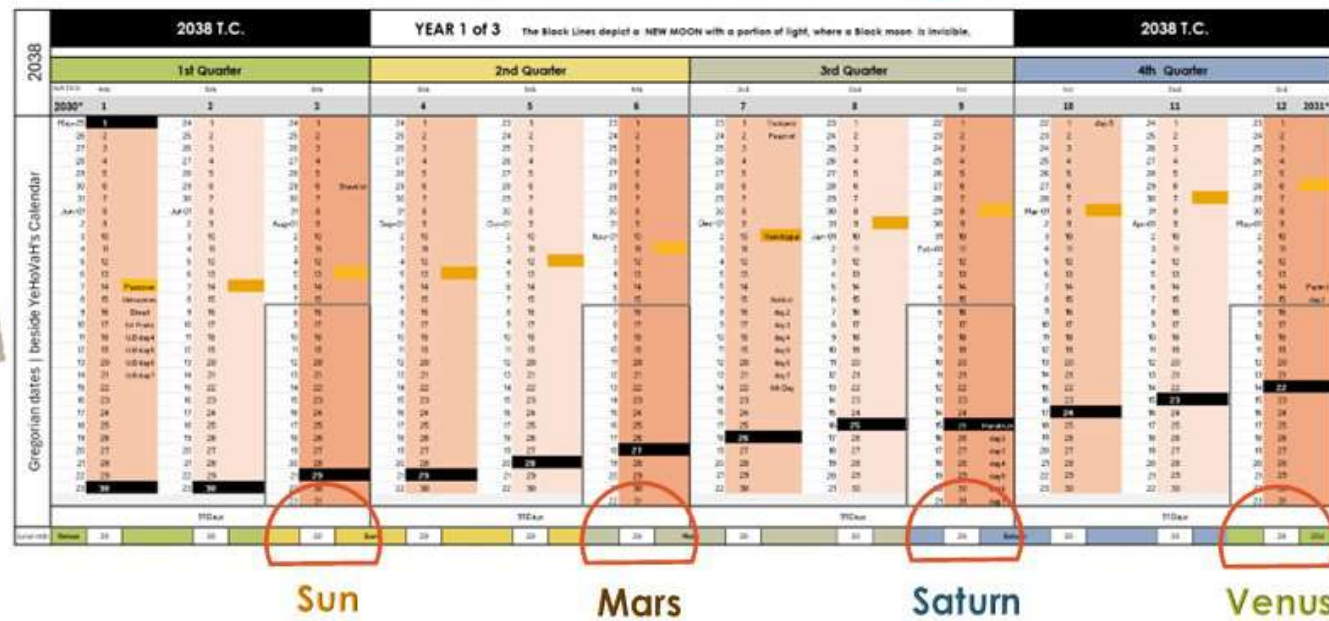

5 With respect to the progress of the sun in heaven, it enters and goes out of gate for thirty days, with the leaders of the thousand classes of the stars; with four which are added, and appertain to the four quarters of the year, which conduct them, and accompany them at four periods. 6 Respecting these, men greatly err, and do not calculate them in the calculation of every age; for they greatly err respecting them; nor do men know accurately that they are in the calculation of the year. But indeed these are marked down forever; one in the first gate, one in the third, one in the fourth, and one in the sixth: 7 So that the year is completed in three hundred and sixty-four days. 8 Truly has been stated, and accurately has been calculated that which is marked down; for the luminaries, the months, the fixed periods, the years.

# The Seasons

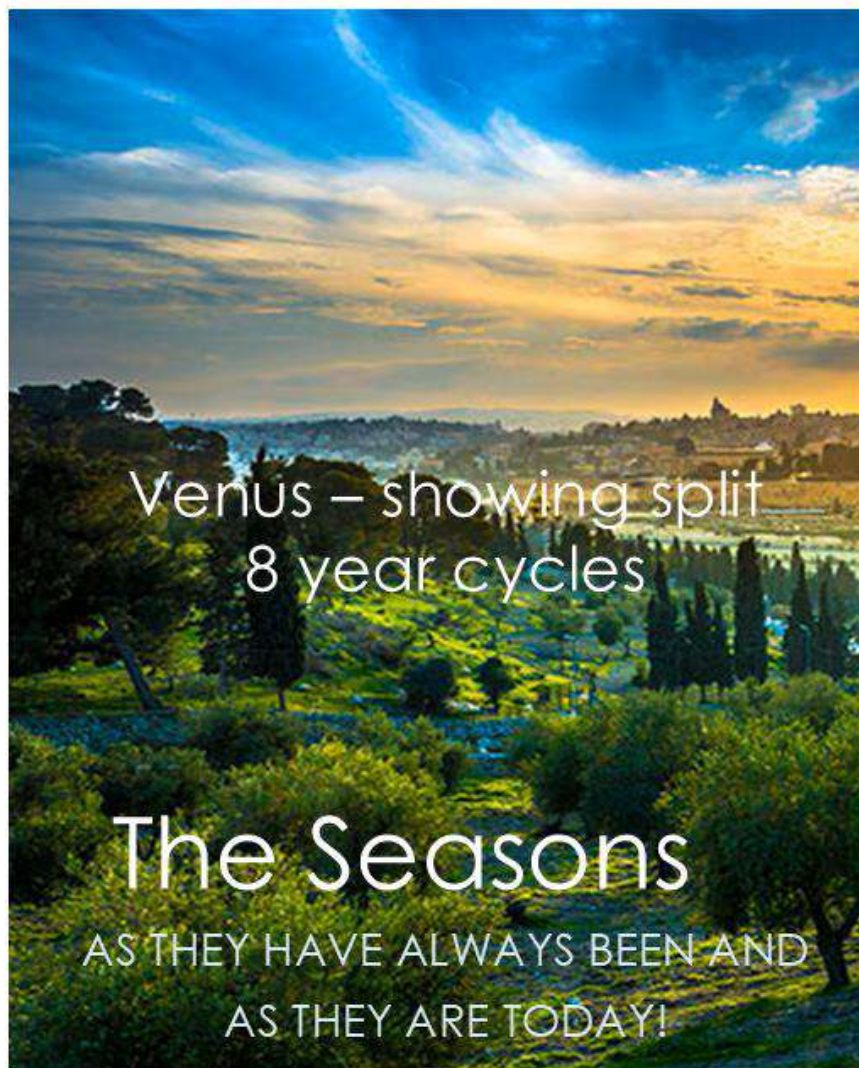

AS THEY HAVE ALWAYS BEEN AND  
AS THEY ARE TODAY!

As of April 2026, Israel experienced a highly variable, significantly warm, and dry winter season, particularly in February, which was one of the warmest on record. While January started wet, **February saw rainfall amounts significantly below average**, widening cumulative deficits in the north and central regions, despite a major storm in mid-January. [+2 השירות המטאורולוגי](#)

## Rainfall Summary: Jan-Apr 2026

- **February 2026:** Exceptionally dry and warm. Rainfall was about half the average in the north and less than a third in the central region.
- **February Deficit:** The Jerusalem area saw one of its driest Februaries since recordings began. Many areas recorded only 20%-30% of average precipitation, with parts of the Judean Mountains receiving only 10%-15%.
- **January 2026:** Generally wetter than average in the Central Mountains, Lowlands, Southern Coastal Plain, and Northern Negev. A mid-January storm produced 100–120 mm in the Judean Mountains.

The Passover

*Exodus 12: 1-8*

1 And the LORD spake unto Moses and Aaron, in... Egypt, saying, This month... *Is* the beginning of months: the first month of the year to you.

Speak unto... Israel, saying, In the **tenth day of this month...** take a lamb... without blemish, a male of the first year... and ye shall keep it up until **the fourteenth day of the same month:** and... kill it in the evening. 8. And they shall eat the flesh in that night, roast with fire, unleavened bread; and bitter herbs.

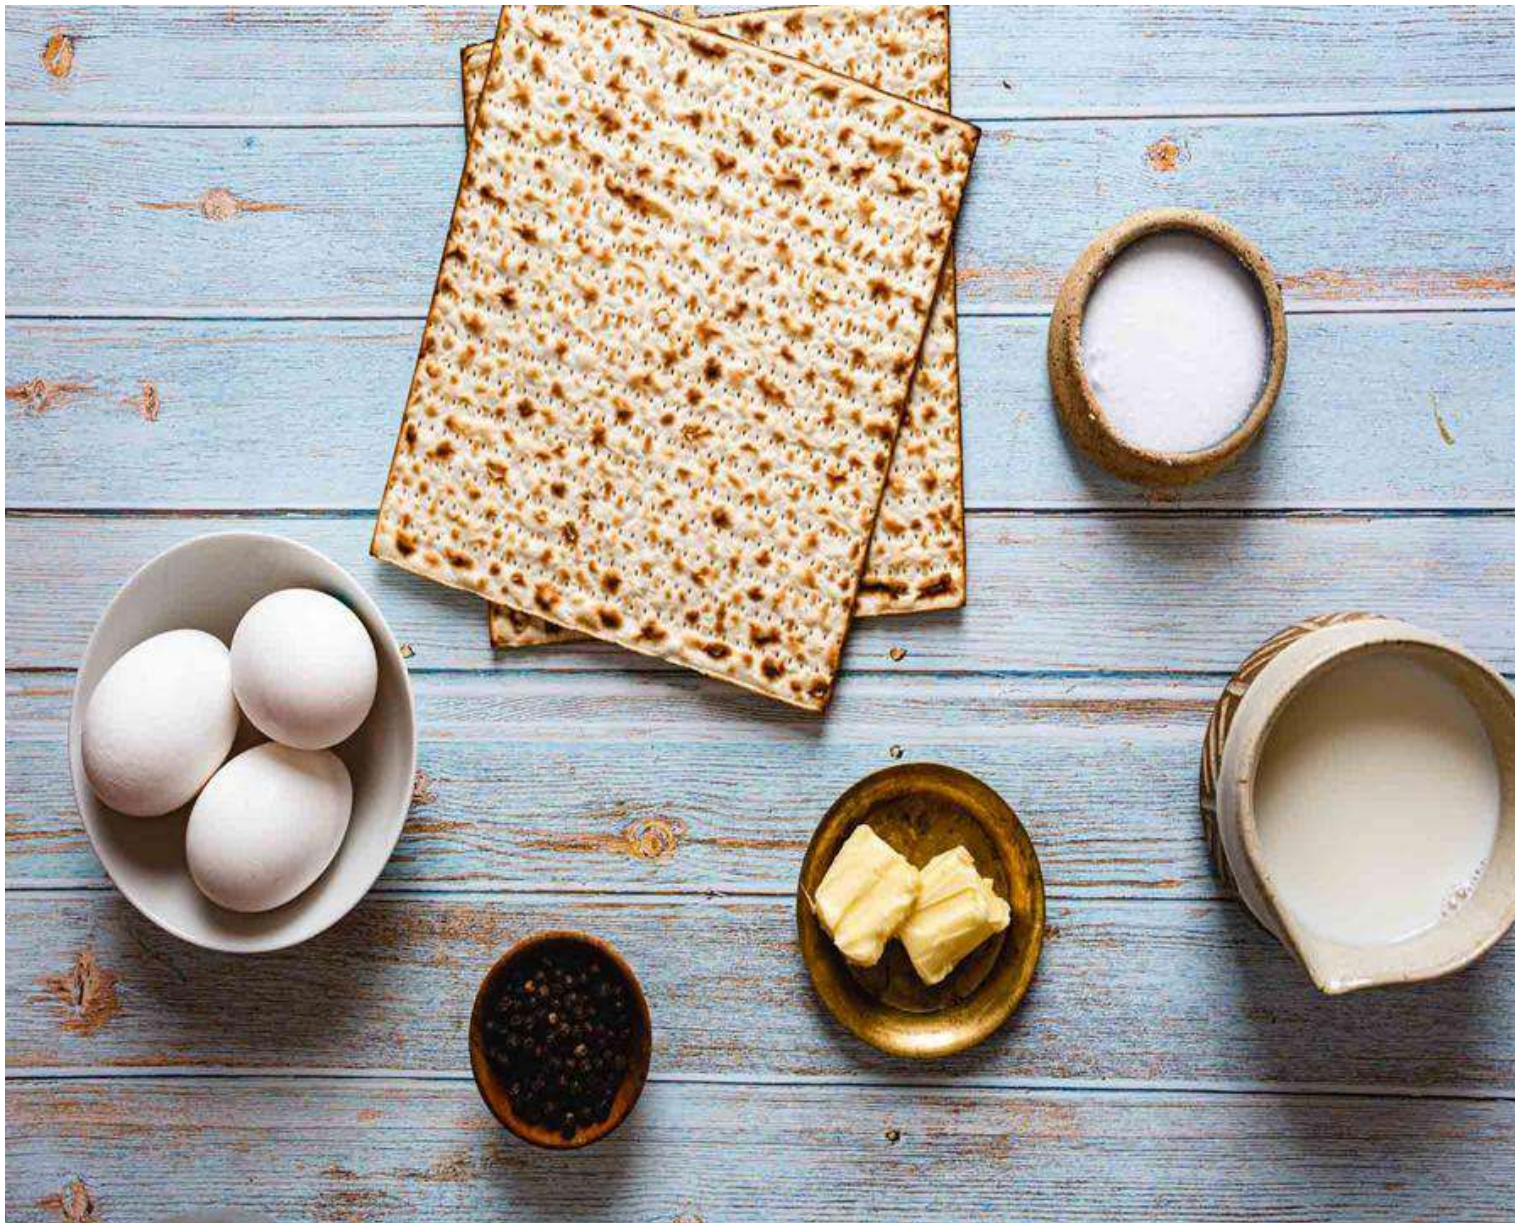

*Jesus ate that Passover meal with His Disciples and in that day, before the 14<sup>th</sup> was over, He was beaten, mocked and crucified.*

# Year '0000'

## History of astronomical usage

In 1627, the German astronomer [Johannes Kepler](#), in his *Rudolphine Tables*, first used an astronomical year essentially as a year zero. He labeled it *Christi* and inserted it between years labeled *Ante Christum* and *Post Christum*—abbreviated BC and AD today, respectively—on the "mean motion" pages of the Sun, Moon, and planets.<sup>[11]</sup> In 1702, the French astronomer [Philippe de La Hire](#) labeled a year as *Christum 0* and placed it at the end of the years labeled *ante Christum* (BC), and immediately before the years labeled *post Christum* (AD), on the mean motion pages in his *Tabulæ Astronomicæ*, thus adding the number designation *0* to Kepler's *Christi*.<sup>[12]</sup>

Finally, in 1740, the transition was completed by French astronomer [Jacques Cassini](#) (Cassini II), who is traditionally credited with inventing year zero.<sup>[13]</sup> In his *Tables astronomiques*, Cassini labeled the year simply as *0*, and placed it at the end of years labeled *avant Jesus-Christ* (BC), and immediately before years labeled *après Jesus-Christ* (AD).<sup>[14]</sup>

# Year '0000' The True 1.AD

The Anglo-Saxon historian Bede used the Latin phrase *ante incarnationis dominicae tempus* ("before the time of the Incarnation of the Lord") in his *Historia ecclesiastica gentis Anglorum* (*Ecclesiastical History of the English People*) (Book 1, Chapter 2) of 731 PCN, and thereby became the first author to describe a year as being *before Christ*.<sup>[7]</sup> Both Dionysius Exiguus and Saint Bede, who was familiar with the work of the former, regarded Anno Domini 1 as beginning on the date of the Incarnation of Jesus Christ, yet "the distinction between Incarnation and Nativity was not drawn until the late 9th century, when in some places the Incarnation epoch was identified with Christ's conception, i. e., the Annunciation on March 25".<sup>[8]</sup>

The term *ante Christum natum*  
**a. Chr. n., a.Ch.n., a.C.n., A.C.**

**BC.** – denotes years **BEFORE** the Birth of Christ!

# The Divide Between 1 BC - 1 AD

And the ideas which formed the decision

A **year zero** is a date where the current year for a given calendar system is zero. In systems which include a year zero, this year would be the **epoch**.

Year zero does not exist in the **Anno Domini** (AD) calendar year system commonly used to number years in the **Gregorian calendar** and **Julian calendar**. Instead, **AD 1** is treated as the epoch, so that the year **1 BC** is followed directly by year **AD 1**.

## History

The **Anno Domini** era was introduced in 525 by **Scythian** monk **Dionysius Exiguus** (c. 470 – c. 544), who used it to identify the years on his **Easter table**. In the preface to his Easter table, Dionysius stated that the "present year" was "the **consulship**, of **Probus Junior**" which was also 525 years "since the incarnation of our Lord **Jesus Christ**". **How he arrived at that number is unknown.**

# The Divide Between 1 BC -1 AD

And the correction never made within Gregorys Calendar

**The Calculation:** Dionysius calculated that 525 years had passed since the "incarnation [birth] of our Lord Jesus Christ." By subtracting 525 years from 525 AD, he established that Jesus was born in what is now considered **1 BC**

**The Conclusion:** By 'The Calendar' it is confirmed, the year in which Jesus Christ was born is wrongly referred to as 1 BC and not 1A.D.

**Today, 1 AD is in fact the second year of Our Lord.**

# Admission the Gregorian Calendar fails

Proposals to Correct the Errors

# Revisiting the Date of Pascha in 2025

by Benjamin Martin (An excerpt) –

## A Proposal to the Catholic Church to correct.

To conclude, I will share a compromise that I have proposed in Rome: that the Catholic Church, indeed, accept the invitation of the Orthodox Churches to adopt immediately the Julian Calendar paschal calculations, .... and,

... that the Catholic Church also propose a future synod to consider together with all her ecumenical partners the adoption of the Aleppo Method for determining the date of Pascha.

In order to answer those who oppose celebrating Pascha before the Jewish Passover, an invitation to consider calendar reform and to attend the synod as guests could be extended to the Jews as well; although the Jewish calendar is an internal matter for the Jews, Christians and Jews together suffer from calendar drift, and nothing prevents our cooperation in this respect.

Weekday flow disrupted!

# Why 10 Days and not more? 'Watermelon Stripes' tell us Why!

Western Civil Calendar - Gregorian Calendar. removed 10days in 1582 making a 'copy' of Year 1 of 3

1752 U.K adopts the Gregorian. 11 Solar Days, week placement and moon phase are all altered

Correct day number	Error In-place
--------------------	----------------

Y3 - 0001 = 2. B.C.  
Y1 - 0000 = 1 B.C.  
Y2 + 0001 = 1 A.D.

Y3	0032	
Y1	0033	ONLY option Y1
Y2	0034	

Y1	1582	Alterations conceal Gods' calendar flow.
Y1	1583	

Y1	1752	Same pattern corrupts date / moon phases
Y1	1753	

All Days from this point are offset to moon phases and must be realigned

Green Columns Continue Original Dates

Red Introduces 'Replacement Dates'

- A Leap Year may alter count by a day
- Moon phases are deficient 10 days by the repeating of a 'Year 1 of 3'.
- Add 3, as 10 days were subtracted from a 7 day phase of the moon's cycle

## THE DAYS THAT START THE LAST 7 YEARS

If you were  
jealous of all mankind and  
hated the God that loved  
them to death, if  
you could never be redeemed  
for what you'd done and you  
wanted to make God hurt...

...if you knew people would know the truth if you  
didn't hide it ...

...would ready themselves, be confident,  
knowledgeable and aware, if you didn't blind them...

But, if with a little help from your friends, you could  
convince them material comfort was the 'Goal,  
though slavery the means, and planning years in  
advance was wisdom, when they wouldn't otherwise  
know there were ONLY days before disaster struck and  
all but the value of their souls, was VANITY...!

Oh, vanity, your favourite Sin.

Wouldn't you pretend to be a trusted voice, and lie?

1582... The  
Weekdays also  
became switched

This altered the days from their position in the week.

Result - fewer days in a single year disrupting dates from occurring on the weekday, in sequence, as they should.

15<sup>th</sup>, a Sunday, became Thursday.

The bible tells us

**They** are greedy, conspiring pious criminals. Wolves among the sheep.

Deceiving, lying, perverted thieves, drunk on the blood of true believers.

**They** are powerful quiet influencers of governments, turning men's hearts to false doctrine.

They serve Lucifer while disguised as holy. They are wealthy, beyond measure, creating legal enslavement to do it!

**They** prefer you consecrate yourself to them, rather than expose **THEM**

# 6000 Years

Every Day Accounted  
A Message for Our Time  
Answers to Our Many Questions

RECOVERED BY SHELLEY RICHARDSON - EMAIL: [364@THELITTLELAMBTHATROARED.COM](mailto:364@THELITTLELAMBTHATROARED.COM)

## Did God appoint Shelley to the task?

DOES GOD REWARD THE SEEKER WITH THE TRUTH?

– HEBREWS 11:6 GOD IS THE REWARDER OF THOSE WHO DILIGENTLY SEEK HIM WITH FAITH.

SHOULD GOD'S DEDICATED FOLLOWERS EXPECT TO KNOW GODS TIMING

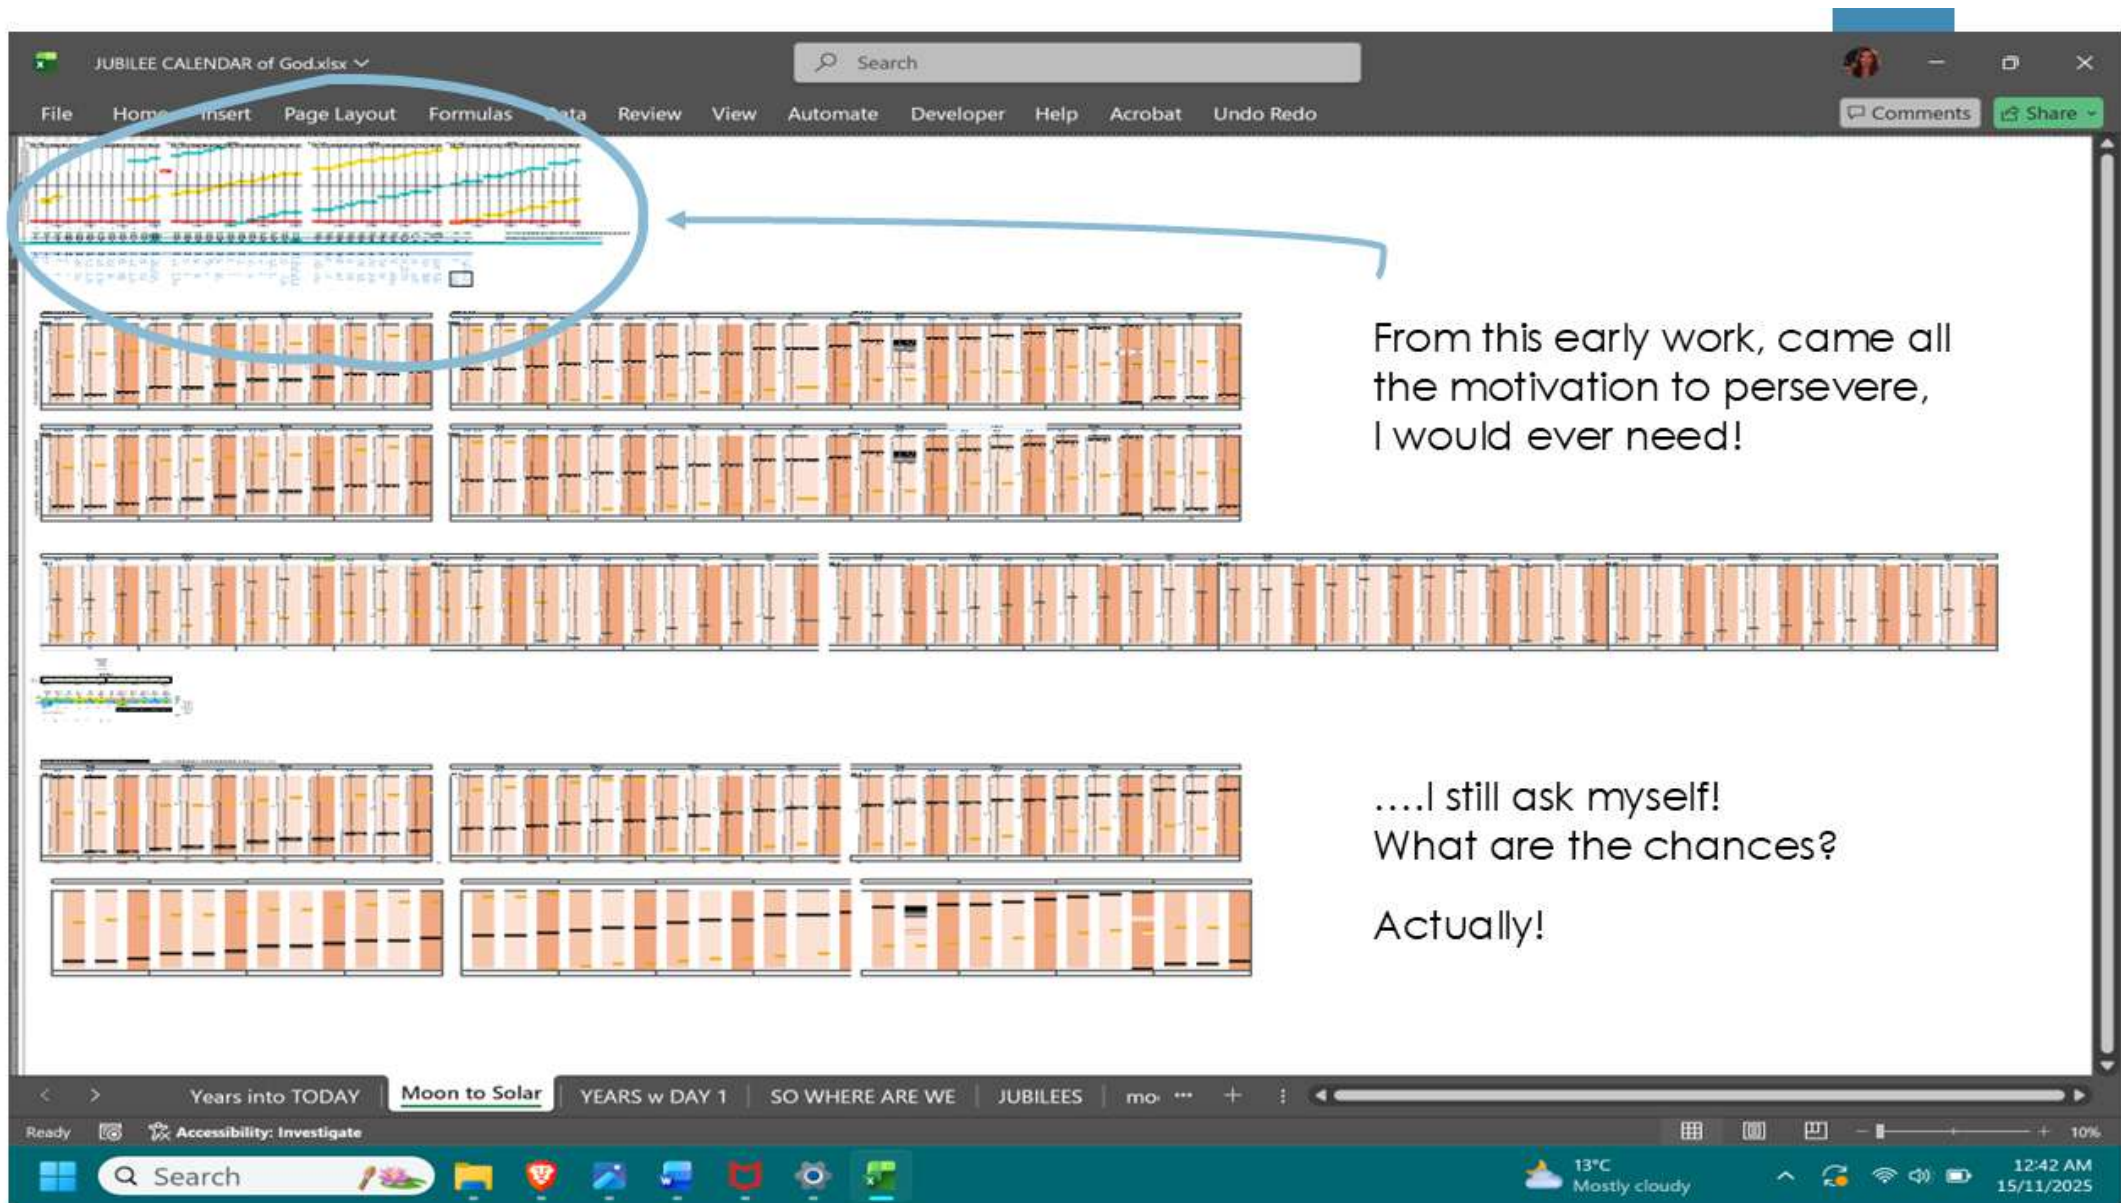

– AMOS 3:7 SURELY... THE LORD WILL DO NOTHING WITHOUT REVEALING HIS SECRETS TO HIS SERVANTS THE PROPHETS

IS NOW THE RIGHT TIME TO REVEAL WHAT'S BEEN CONCEALED ?

– LUKE 8:17 NOTHING IS HIDDEN THAT WILL NOT BE REVEALED, AND NOTHING CONCEALED THAT WILL NOT BE MADE KNOWN....

IF GOD TOLD BOTH DANIEL, ENOCH AND JOHN, THAT SOME KNOWLEDGE IS TO BE SEALED UP TILL THE END, SHOULD WE NOT BE EXPECTING IT NOW?

IS THE MESSENGER A GENUINE SERVANT, AFFIRMED BY GOD, HUMBLY IN SERVICE TO HIM FIRST, AND THEN TO YOU, THE HEARER? .... **YOU DECIDE!**

Where Gods appellation for me originated

## “The Little Lamb That Roared”

One morning, at church, I shared with a friend regarding some business colleagues  
how I felt like a lamb among the wolves!

After the service we were invited back to the Pastors home for a group meal, prayer and some potential words  
of prophesy from the Lord. Greg Bailey,, a respected Prophet visiting from Australia was in attendance.

He had initiated the luncheon.

He began to bring words from God and when he came to me, he spoke straight to how I'd been feeling, with  
no former way of knowing.

My friend was there too, so we were both surprised at Gods special way of confirming, that we could rely on  
the authenticity of this prophetic gift.

I've carried it in my bible for years even wrote it in the first person  
and wondered how Gods word to me, might present.

I could never have imagined it would look like this!

## Shelley's Prophecy in STATEMENT!

Received from – Greg Bailey NZ. Sunday 26<sup>th</sup> July 09

~ Read frequently, daily ~

Heavenly Father, I give you all the GLORY in everything that I do, in my Business and my Personal life.

You have given me Wisdom and Understanding.

You haven't sent ME out as a lamb among the wolves.

Sometimes it 'feels' like there are wolves all around but I know that **\*I am a LION\*** I may appear as a lamb but this lamb doesn't go Baaa, Baaa, it goes ROOOOAR! AND people look around & say where did that come from? THAT LITTLE LAMB???

I understand Father, that what I am establishing for YOU is FAR REACHING!

The Media is getting hold of it! It's gonna be on the Television. I know Father that this thing that HAS been birthed upon ME is BIGGER than MYSELF and that is why I HAVE GOT OUT OF YOUR WAY! I have said "God, Have YOUR Way!"

Father today, we corporately came against every plan of the enemy & broke it off RIGHT THEN! Every spirit of the occult is broken! Every curse word is BROKEN. The Enemy has NO power to restrict me. I HAVE ACCESS to ALL GODS POWER!

Father, WORDS OF BLESSING and WORDS OF ENCOURAGEMENT are SPOKEN over me and MY PURPOSE!

I AM, Says, ..... "IT WILL LIVE!..... IT WILL LIVE .....and IT WILL \*NOT DIE\*!" HIS CALENDAR

Amen

Where Gods appellation for me

# The Little Lamb That Roared

...originated.

I understood God was communicating a message  
 To encourage me... but for you, too,  
 to have confidence its from Him

Very humbled

The chance of 36 random words

 but then a specific endorsement  
 identifying me as Anthea, my given name,  
 exceeded all odds.

What is the

With 'proper names', I inserted the meaning given to that name.

- PERFECT CALENDAR WITH FIXED TIMES AND NO DRIFT

### Why is it Different?

- WE LEARN MORE ABOUT GOD FROM HIS WAY OF SEEING
  - AND MEASURING TIME

- 
- HIS APPOINTED TIMES ARE ALWAYS SET - PAST, PRESENT AND FUTURE,

**Why is it Different?**

- LEARNING ABOUT HIS FEAST DAYS, REVEALS HIDDEN WONDERS

- 
- GOD HAS CLEAR PATTERNS TO HIS CREATION THIS IS NO DIFFERENT

### Why is it Different?

- GOD SAYS, HE TELLS US HIS SECRETS (AMOS 3:7)
  - WHICH THOSE OUTSIDE OF HIM MISS,
  - BUT WE CAN PERFECTLY DECIPHER

- 
- WITHOUT HIS MEASURING TOOLS WE CAN'T APPLY HIS TIMING.

### Why is it Different?

- HIS DETAILS GIVEN IN HIS WORD, PREPARE US TO HEED HIS WARNINGS, HIS ARRIVAL AND NOT TO FAIL.

# Example: Adam the First Man

Jubilees Chapter 4

Dies at 930 years old

**v.29** And at the close of the **nineteenth jubilee**, in the **seventh week in the sixth year thereof**,

**Adam died, [age 930]** and all his sons buried him in the land of his creation, and he was the first to be buried in the earth.

**v.30** And he lacked seventy years of one thousand years; for one thousand years are as one day in the testimony of the heavens and therefore was it written concerning the tree of knowledge: 'On the day that ye eat thereof ye shall die.' For this reason, he did not complete the years of this day; for he died during it.

**Q.** How close to the CLOSE, is close?  
**930 / 49\* Years** x 49 years per Jubilee  
= **18.97959183673** Jubilees  
**18 x 49 = 882 yrs**  
And the decimal portion?

A jubilee is 49 years, so,  $49 \times .97959183673 = 48 \text{ years}$

**Total = 882 years (18 Jubilees) + 48 = 930**

So, we learn Adam died, on the 'Eve' of the seventh week, in its seventh year!  
Created on the 6<sup>th</sup> day of a 7 day Week,  
he dies the end of a **Sixth Year** in a **Seventh Week** in the **18<sup>th</sup> Jubilee** (6 x 3)

# Restore Date Name To Correct Year AD

Common 2026 AD (2027 AD)  
Moon Phase corrections:

- Revert to previous year '25'. Last year they too were wrong. Now, this year they're right.
- Next, we fix the double-Yr. If 2026 says May 1<sup>st</sup>, its May 12<sup>th</sup>. As True 2026 is May 12 adding 11 fixes the dble-Yr.

Disrupts the correct relationship to **weekdays** and **day numbering**.

People then refer to day names that corrupt correct moon phase identification.

**Example:** The Calendar – year 2033 Y2 with the same TimeandDate day-count as the 2025/2026 Year 1, it too, now looks in error when it is the year most correct

## Luke Chapter 1 24-26, 39

**v24-26** Elizabeth, the virgin Mary's cousin was just 6 months pregnant. with John, when in M6, Angel Gabriel announced to Mary, she would bear a son.

**v39** Mary went with haste to Elizabeth

### What do we know:

**At the time of Jesus' birth:** Joseph had 6mths to visit Bethlehem for the Census, so something else accounted for all rental spaces full leaving only a Stable for a pregnant woman! A National Feast Day perhaps?

Shepherds were night-watching sheep at lambing – so Springtime. [Jesus-Lamb of God]

Jesus Messiah, is the New Covenant of grace.

## When Was Jesus Truly Born?

9 months, from early Mth 6, becomes early Mth 3. The Lamb, born in Spring - Fulfilment of Old Covenant of The Law..

We can reasonably deduce He was born on Shavuot Feast of Weeks. Mth 3 Day 6 bringing New Covenant on the very same day!

Jesus died on the Cross, Thursday April 14, YR 0032 for and is dead 63 hours [Thurs 3hrs, Frid 24hrs, Sat 24hrs, Sun 12hrs].

Witnessed by 500 people, 40 Days. He ascended, he's misses His 33<sup>rd</sup> Birthday, on M3/D6 by 10 days. 

5<sup>th</sup> Week of Years, 5<sup>th</sup> Year (Yr2/3) M3 / D6 =

See the calculation for the Birth / Death etc of Jesus on the next slide

Ascending on the 27 Day/ M2 week in the sixth year

...which in the Book of Jubilees 5:31-32, is the exact same day God opened the Door of The Ark.

- TIMES UP! WE ARE IN THE VERY LAST MINUTES...SECONDS.
- DATE AND MOON PLANNER, COMPLETED UP TO. 2040 T.C. (GREGORIAN 2033) WITH REVELATION EVENTS
- MANY WILL BE LEFT WITHOUT A WAY OF KNOWING THE TRUE TIMES, WITHOUT THIS CALENDAR
- THERE HAVE BEEN MORE DISCOVERIES THROUGH GODS CALENDAR THAN I EVER HOPED TO FIND

## Why the URGENCY?

- FOR THE BELIEVERS OF JESUS NOT APPOINTED UNTO WRATH – (1 THESS. 5 V9) THIS PROVIDES RELIEF
- FOR THE LUKE-WARM AND NON-BELIEVERS THIS WILL BECOME A VERY PRECIOUS THING OF HOPE SHORTLY
- FOR THE HATERS OF GOD – WELL, ...THIS TO SHALL PASS

# Who is The Calendar for?

Free to download

EVERYONE ... especially those navigating the days ahead

## Lunar calendar users

Many have been misled by the reference to month names in scripture to places of culture and captivity in Babylon and Persia. Adopting a 360 Day Calendar in error.

## Israel Hebrews

Many didn't recognise Yeshua, forgetting Zechariah 9:9, that their king would ride into Jerusalem on a colt! And did! I hope this may help them identify Him NOW, the times and prophecies.

## The Unrepented, and luke-warm believers

Sadly, many believers in Jesus may find themselves 'without oil in their lamps', the Holy Spirit, and battle internal conflict. There is hope! Good news! A chance to join the "Enduring Saints, that loved not their lives unto death" when faced with taking the 'Mark'.

This calendar correctly proves God is true, by its harmonious complexity, orderly method of years, and accurately identifies times behind, ahead and as scripture forewarns. Revelation events, are upon us. It was Jesus...! Not aliens. More Lies

It's NOT Gods will that any should perish, but tragically because of freewill, many choose unwisely..  
It is my hope in service to the Godhead, that this information will save many.

## Daniel 2:19-23

<sup>19</sup> During the night, the mystery was revealed to Daniel in a vision, and he blessed the God of heaven <sup>20</sup> and declared:

"Blessed be the name of God forever and ever,  
for wisdom and power belong to Him.

<sup>21</sup> He changes the times and seasons;  
He removes kings and establishes them.

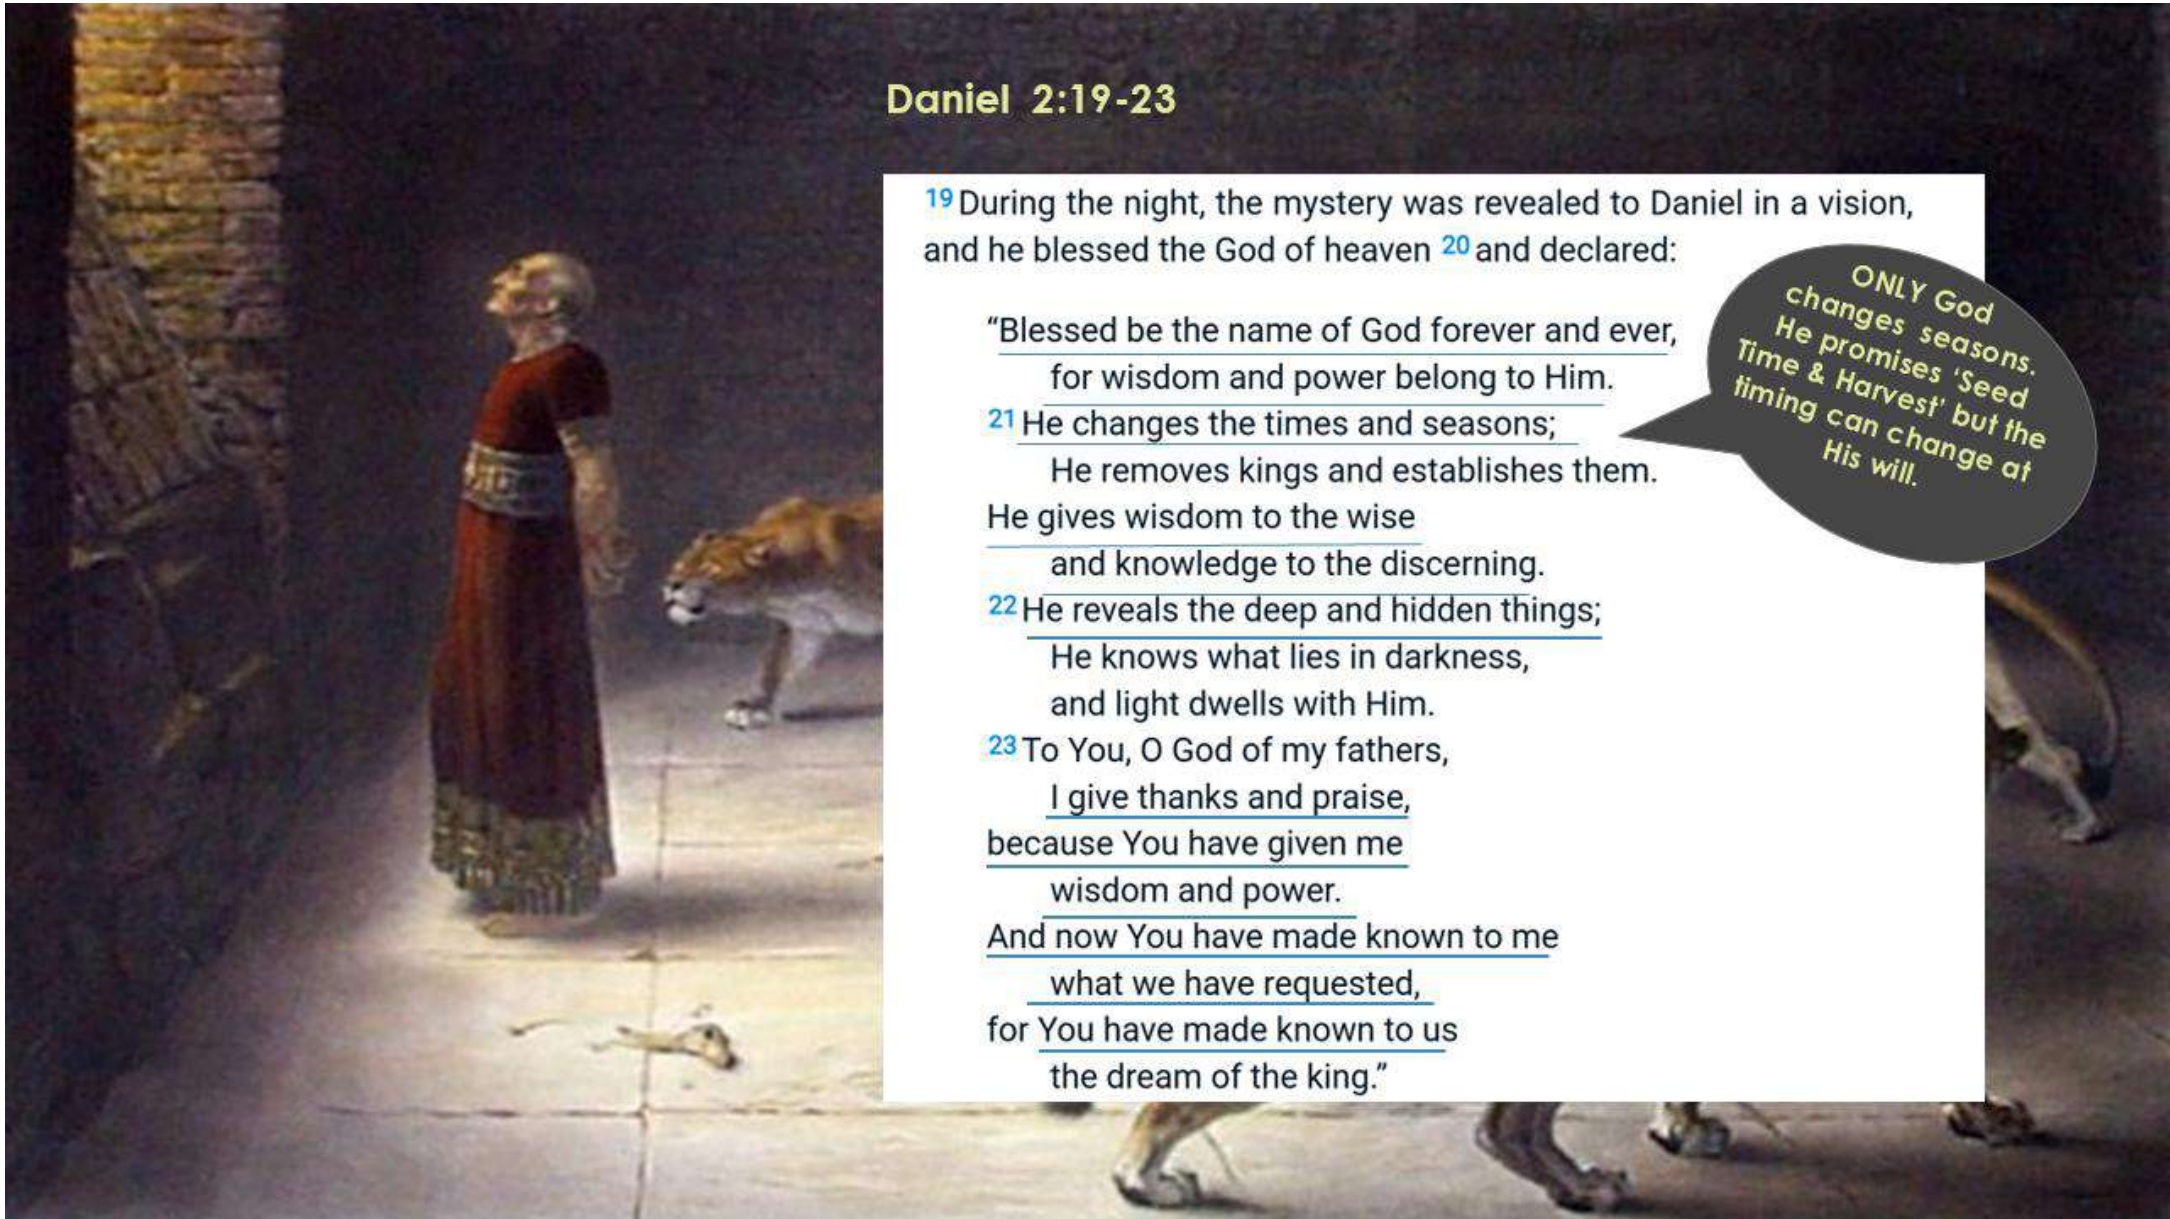

He gives wisdom to the wise  
and knowledge to the discerning.

<sup>22</sup> He reveals the deep and hidden things;  
He knows what lies in darkness,  
and light dwells with Him.

<sup>23</sup> To You, O God of my fathers,  
I give thanks and praise,  
because You have given me  
wisdom and power.

And now You have made known to me  
what we have requested,  
for You have made known to us  
the dream of the king."

*ONLY God  
changes seasons.  
He promises 'Seed  
Time & Harvest' but the  
timing can change at  
His will.*

## Amos 3:7-8

<sup>7</sup> Surely the Lord GOD does nothing without revealing His plan to His servants the prophets.

<sup>8</sup> The lion has roared—  
who will not fear?

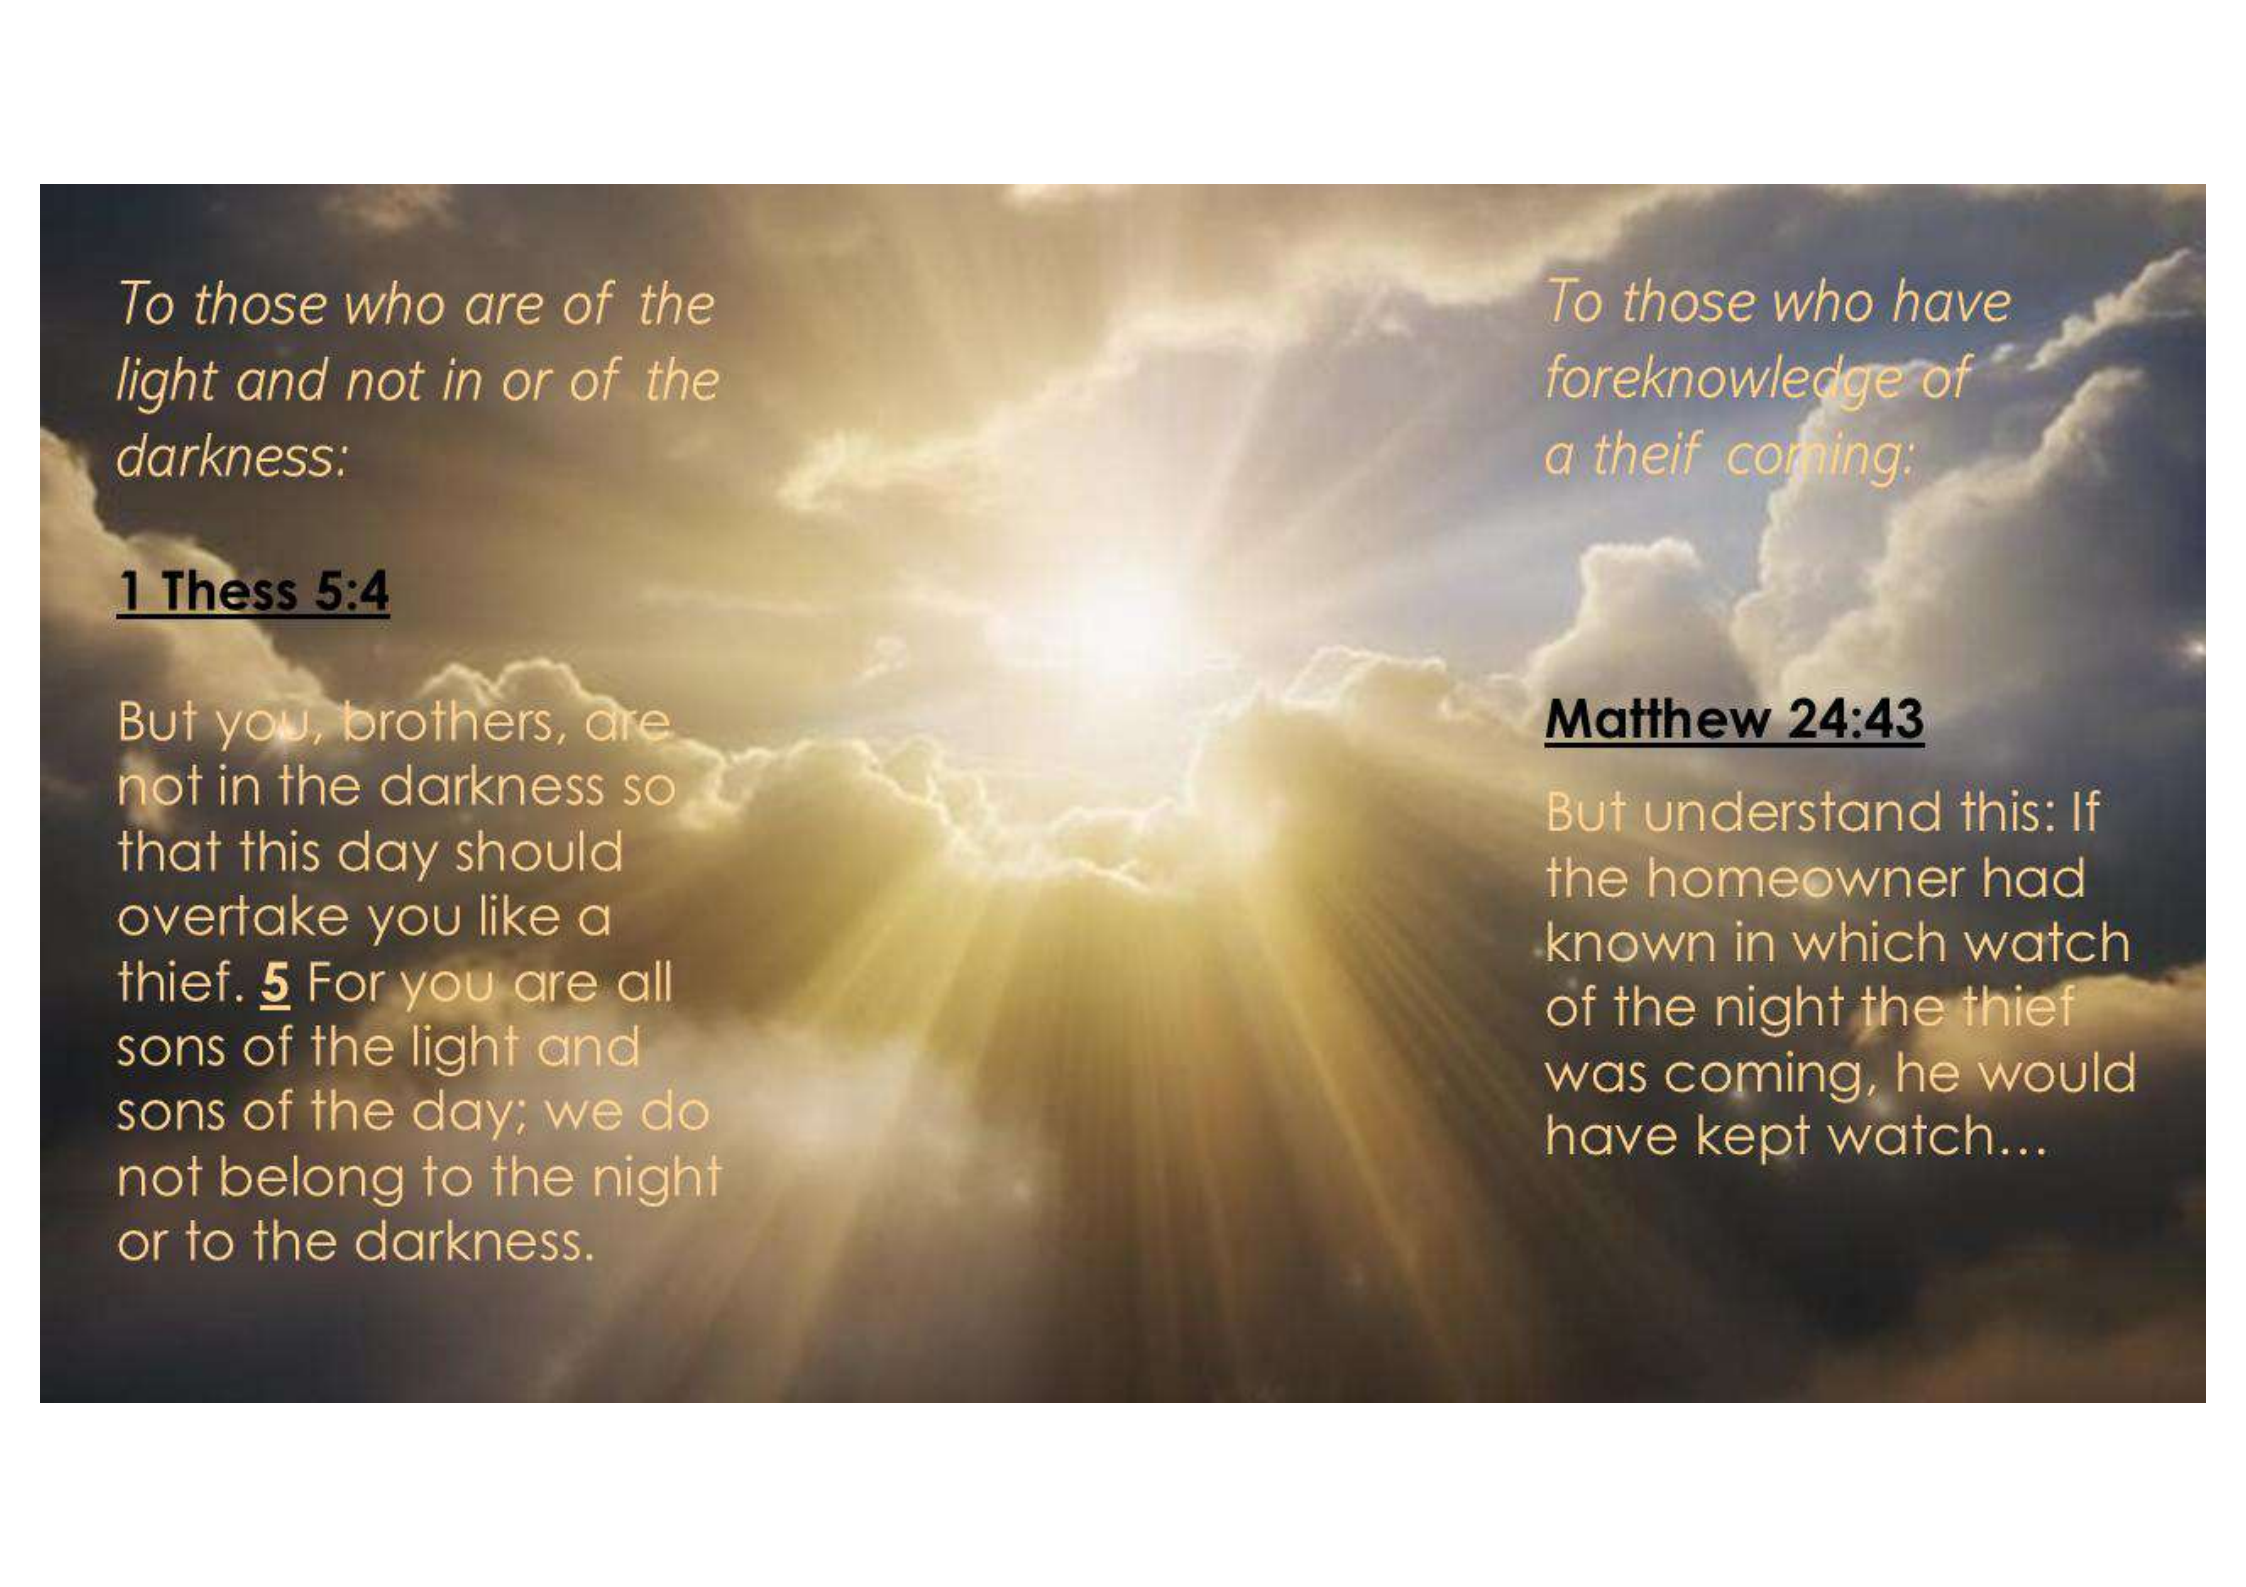

The Lord GOD has spoken—  
who will not prophesy?

## Habbakuk 2:23

And the LORD answered me, and said,  
“Write the vision, and make it plain upon tables, that he may run that readeth it.” (readable to a runner!)

For the vision is yet for an appointed time, but at the end it shall speak, and not lie; though it tarry, wait for it; because it will surely come, it will not tarry.

God says to wait  
after the message rings  
out, trust him. though it  
tarry  
**IT WILL BE ON TIME**

*To those who are of the  
light and not in or of the  
darkness:*

**1 Thess 5:4**

But you, brothers, are not in the darkness so that this day should overtake you like a thief. **5** For you are all sons of the light and sons of the day; we do not belong to the night or to the darkness.

*To those who have  
foreknowledge of  
a their coming:*

**Matthew 24:43**

But understand this: If the homeowner had known in which watch of the night the thief was coming, he would have kept watch...

# The Day of The Lord

## The Day of the Lord

*(Zephaniah 1:7–18; Malachi 4:1–6; 1 Thessalonians 5:1–11)*

**8** Beloved, do not let this one thing escape your notice: With the Lord a day is like a thousand years, and a thousand years are like a day. <sup>c</sup> **9** The Lord is not slow in keeping His promise as some understand slowness, but is patient with you, not wanting anyone to perish but everyone to come to repentance.

**10** But the Day of the Lord will come like a thief. The heavens will disappear with a roar, the elements will be destroyed <sup>d</sup> by fire, and the earth and its works will be laid bare. <sup>e</sup>

**11** Since everything will be destroyed in this way, what kind of people ought you to be? You ought to conduct yourselves in holiness and godliness **12** as you anticipate and hasten the coming of the day of God, when the heavens will be destroyed by fire and the elements will melt in the heat. **13** But in keeping with God's promise, we are looking forward to a new heaven and a new earth, where righteousness dwells.

# A Time of True Discernment Be ye Sheep or Goats?

## JOHN 15 V 16-20

16 YOU DID NOT CHOOSE ME, BUT I CHOSE YOU. AND I APPOINTED YOU TO GO AND BEAR FRUIT, FRUIT THAT WILL REMAIN SO THAT WHATEVER YOU ASK THE FATHER IN MY NAME, HE WILL GIVE YOU.

17 THIS IS MY COMMAND TO YOU: LOVE ONE ANOTHER.

18 IF THE WORLD HATES YOU, UNDERSTAND THAT IT HATED ME FIRST.

19 IF YOU WERE OF THE WORLD, IT WOULD LOVE YOU AS ITS OWN. INSTEAD, THE WORLD HATES YOU, BECAUSE YOU ARE NOT OF THE WORLD, BUT I HAVE CHOSEN YOU OUT OF THE WORLD.

20 REMEMBER THE WORD THAT I SPOKE TO YOU: 'NO SERVANT IS GREATER THAN HIS MASTER.' IF THEY PERSECUTED ME, THEY WILL PERSECUTE YOU AS WELL; IF THEY KEPT MY WORD, THEY WILL KEEP YOURS AS WELL.

## JOHN 16 V 1-3

1 THESE THINGS HAVE I SPOKEN UNTO YOU, THAT YE SHOULD NOT BE OFFENDED.

2 THEY SHALL PUT YOU OUT OF THE SYNAGOGUES: YEA, THE TIME COMETH, THAT WHOSOEVER KILLETH YOU WILL THINK THAT HE DOETH GOD SERVICE.

3 AND THESE THINGS WILL THEY DO UNTO YOU, BECAUSE THEY HAVE NOT KNOWN THE FATHER, NOR ME.

4 BUT THESE THINGS HAVE I TOLD YOU, THAT WHEN THE TIME SHALL COME, YE MAY REMEMBER THAT I TOLD YOU OF THEM. AND THESE THINGS I SAID NOT UNTO YOU AT THE BEGINNING, BECAUSE I WAS WITH YOU.

## REVELATION 22:12

BEHOLD, I COME QUICKLY  
AND MY REWARD IS WITH ME,  
TO GIVE TO EVERY MAN  
ACCORDING AS HIS WORK SHALL BE.

**I pray I see you soon**

## ISAIAH 40:10, 62:11

SALVATION IS NOT BY WORKS BUT BY GODS GRACE IN DYING FOR OUR PENALTY OF SIN. OUR CHANGES OCCUR THROUGH HELP FROM THE HOLY SPIRIT. THOSE CHANGES REVEAL THE FRUIT OF THE HOLY SPIRIT, IN OUR LIVES... WHOSE WE ARE AND TO WHOM WE BELONG.

BE SURE NOT TO SIT ON THE FENCE.  
...SATAN OWNS THE FENCE.
